FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the Attorney General (AGO), Office of State Courts Administrator (CTS), Department of Public Safety - Missouri Highway Patrol (DPS-MHP), Office of Prosecution Services (OPS), and State Public Defender (SPD)** assume the proposed legislation would have no fiscal impact on their agencies.

Officials from the **Department of Corrections (DOC)** assume the proposed legislation would have minimal fiscal impact that could be absorbed by the agency.

Oversight assumes the proposal could result in more offenders being incarcerated or placed on probation. Additional costs for supervision and care by the DOC cannot be determined, but would likely be less than \$100,000 annually.
